Beginning Saturday Morning at 8 o'clock We Hold Our Third Annual Silk Sale

10,000 yards of high-grade Silks to be offered in this sale—one-half of them fresh from the wholesale silk houses, and the remainder of them taken right out of our regular stock and put into the sale at wonderful reduced prices.

What an opportunity for all Topeka to economize in silk buying! Also for all state Teacher and out-of-the-city visitors to take advantage of. Silks for dresses, waists, handsome gowns, skirts, party dresses, petticoats, etc.—and at the season just when you want them. Some of these are $\frac{1}{2}$, some $\frac{1}{3}$ and some even $\frac{1}{4}$ less than regular prices.

For the convenience of all, we will give this sale plenty of selling space. Nine long tables and with enough efficient salespeople, we trust, to wait on you. We need not urge you to come early for even that will not avoid the rush—but come at 8 o'clock tomorrow for that piece you saw in our window and set your heart on—but remember it has been admired and coveted by hundreds of pairs of other feminine eyes—therefore come early.

(NOTICE—Thousands of yards of these beautiful Silks will be displayed in our Show Window today, and tonight till 11 o'clock.)
